

Better Security, Better Care FREE local support for Care Providers

Data Security Prevention Toolkit (DSPT)

EMCARE has been awarded a grant to deliver a free programme to support all local care providers registered with CQC across Leicester/Leicestershire/Rutland. **We can help Care Homes, Homecare providers, Extra Care Housing, Supported Living & Shared Lives Services supporting adults.**

This programme is part of the **national Better Security, Better Care programme** & will help you to complete the **nationally recognised Data Security Prevention Toolkit (DSPT)** enabling you to :

- Gain access & allow continued use of digital tools such as, **NHSmail & System One**, which could include shared care records, so that you can share information with your health & care partners.
- **Evidence & demonstrate good practice** showing that you meet data & security standards to your commissioners, health partners & inspectors.
- **Demonstrate compliance with Data Protection legislation & CQC's expectations** on confidentiality & security. CQC has issued guidance about Cyber Security & makes it clear that they will expect, in the future, providers to have completed the toolkit.
- **Help you to reassure the people you support**, their families & your staff that they can trust you with their data.
- Identify, evaluate, support & improve your **data & cyber security**.
- **Reduce the risk** of suffering from cyber crime & data breaches.

We know that you are under enormous pressure as you continue to deal with the COVID-19 pandemic. So, we don't want to add any extra burden. Instead, we are offering this free support to help ensure that all the information you store & share with health colleagues is secure, including information about COVID-19.

We are therefore delighted to invite you on to this programme & provide you support for your organisation. As a first step, you are able to contact us for further information about the Better Security, Better Care programme & the support that we can offer you.

We will be offering for free - a number of webinars, 121 support, workshops, peer to peer.

HELPLINE opening hours - Wednesday 9am–12pm, Thursday 1pm–5pm, Friday 2pm–5pm

For further information you can contact me directly - Baz Kanabar - **Project Delivery Officer**
